BOUTIQUE BROADCAST PRODUCTION FOR LUXURY WEDDINGS

OFF THE RECORD STUDIO | MARBELLA, MALAGA & SPAIN

Specialists in International & Destination Weddings across Andalusia and Spain.

We create an intimate lounge where guests forget the cameras and have the time of their lives.

2026 - 2027 SEASON | OFFICIAL WEDDING BROCHURE

EXCLUSIVE EXPERIENCE - SECTION 01

THE CONCEPT | WHAT IS OFF THE RECORD?

Your wedding day flies by in hours, but the voices, stories, and belly laughs of the people you love deserve to stay with you forever. Forget stiff videos where nobody speaks: this is pure spontaneity, comedy, and emotion.

TRADITIONAL OPTIONS

What every guest has seen 100 times:

- Classical Wedding Video: Beautiful visuals, but takes 4-6 months and guests rarely speak.
- Photobooth: Paper strips with plastic props that end up forgotten in a drawer.
- Roaming Camera: When a cameraman chases guests around dinner tables, they freeze up.
- Cocktail Lulls: Moments between drinks when guests stand around waiting.

THE OFF THE RECORD SHOW

A live attraction your guests will love:

- Studio Magnetism: Pro headphones and broadcast mics make guests feel like VIP talk-show stars.
- Group Conversations: 2 to 4 guests sit together for 5-10 minutes of laughs, toasts, and confessions.
- 350+ Prompts & 6 TV Games: SHE/HE paddles, YES/NO verdicts, lightning rounds & emotional advice.
- 72h Express Delivery: Vertical 4K Reels ready for Instagram & WhatsApp while the buzz is hot.

WHY DO EVEN CAMERA-SHY GUESTS LINE UP TO TAKE A SEAT?

We never chase or pressure anyone. Our set is a cozy velvet lounge with warm cinema lighting and zero intrusion. The moment the first group of friends sits down and bursts out laughing with our voting paddles, a natural queue forms. From your wildest university friends to your most reserved relatives: everyone leaves an unforgettable memory.

The result is an intimate late-night TV documentary you will treasure forever.

PURE STUDIO AUDIO
